

Kanchenjunga - Design

Kanchenjunga is a font loosely based on the handwriting style of Kirat Rai which was used in some of the early reading primers for Kirat Rai.

Four fonts for this typeface family are included in the *Kanchenjunga* release:

- Kanchenjunga Regular
- Kanchenjunga Medium
- Kanchenjunga SemiBold
- Kanchenjunga Bold

Type Samples

Type samples showing some of the inventory of glyphs can be found here: [Kanchenjunga Type Sample](#).

One example of some text is shown below.
